

# Chandigarh University Apex Institute of Engineering

**Project Title- Cloud Based Attendance System**

**Research Problem:** To build a cloud based attendance management system to manage the attendance records of students. It will automatically track the progress of students and generate reports. It stores all the individual details of the students digitally on the cloud.

## Project Team

Team Designation	Name	UID	Section
1. Leader	Aryendra Agnihotri	20BCS4230	20BCC-2(B)
2.	Anurag Tomar	20BCS4245	20BCC-2(B)
3.	Ankit Ahir	20BCS4223	20BCC-2(B)

## Paper Objective

To reduce the time of tracking and monitoring the attendance record.

<b>Project Outcome</b>	<b>A cloud based attendance system for easier maintenance of attendance records.</b>
<b>Skills</b>	<b>Python, Sqlite, Javascript, CSS, HTML</b>
<b>Name Of Supervisor</b>	<b>Ms. Ramneet Kaur</b>
<b>Signature</b>
